FOR IMMEDIATE RELEASE:

BAXTER & WOODMAN ANNOUNCES WATER/WASTEWATER GROUP LEADER PROMOTION

[March 12, 2010. CRYSTAL LAKE, IL] Baxter & Woodman, Inc., Consulting Engineers is pleased to announce the promotion of Senior Engineer Derek J. Wold, PE to Water/Wastewater Group Leader.

Mr. Wold has been a valued member of the Baxter & Woodman team since 1996. He earned a Bachelor of Science degree in Civil Engineering from the University of Illinois at Champaign-Urbana and a Master of Science in Environmental Engineering from Illinois Institute of Technology. Mr. Wold secured his Professional Engineer License in 2001 and most recently co-managed the firm's Wastewater Department.

As the Water/Wastewater Group Leader, Mr. Wold will oversee the Water, Wastewater, Operations and Infrastructure Departments. He will also be responsible for the provision of superior client service, adhering to high quality technical design standards, and the development of new business.

Baxter & Woodman, Inc. is an employee-owned Engineering News-Record Top 500 Design Firm which provides planning, design, construction and technology services for water, wastewater, stormwater and transportation facilities for municipalities, counties and state agencies. Environmental, geographic information systems (GIS), water and wastewater operations, and advanced technology needs complement the firm's civil engineering expertise. Clients are served from nine regional offices in northern Illinois and southern Wisconsin.
